Brobst, President; Jerry Chaffee, Vice President; John Nadig, Treasurer; Fred Morgan, Boys Representative.

At the end of their high school days the members of the January 1956 class began to think back through the past years and to enjoy the many memories associated with them. The basketball team went to the State Tournament twice during the class' first three semesters, which was a lot of fun. In its last semester the entire class put on the pep assembly for the East football game. These and many more events were fondly remembered during the last few days at Roosevelt.

Several parties were held for the class in the final semester. First came a swimming party held in December; then, a pizza party in January. Both of these unusual parties afforded loads of fun for all involved. The class sermon was delivered by Dr.

Newton Moats. Following the service a tea was given for the seniors and their parents. On Monday the candidates for graduation met in Younkers' Tea Room for the traditional banquet. Afterwards the class members were given tickets to a movie. Wednesday brought Class Day. With Thursday came Commencement and the last gathering of the class as a whole. Dr. Virgil Logamarcino, Assistant Professor of Education at Iowa State College, was the speaker. After the commencement exercises the parents of the seniors held a party for them to celebrate their graduation. Although the final few weeks were a time of remembering the past and wondering about the future, the January graduates knew they would never forget their three years at Roosevelt.

Sandra Miller, Girls Representative; Dennis O'Brien, Vice President;

In the past three years, members of the June class of 1956 were active in sports, extra-curricular activities and classes. There was the time the basketball team went to Iowa City, the class' sophomore year. Last year Roosevelt's football team was undefeated. This spring the musical show "Oklahoma!" was produced. When looking back, the June class will remember all the good times connected with these and many other activities.

The class' final weeks at Roosevelt were spent in a round of activities. The first mixer on April 20 was called a "Heaven and Hell" party and the theme was "Come As You Were." The second

week in May held another mixer. The class picnic came on the twenty-third of May and all the joy of being through with finals explained the great exuberance shown. The last few days held much fun and perhaps some sorrow too. Class Sermon on June 3, with Dr. Yeates as the speaker was solemn and yet inspiring. On Monday, the class met in Younkers Tea Room for the Banquet and a movie afterwards. Wednesday brought the Class Day program with all of its fun and impressiveness. Finally, the Commencement Exercises with Governor Leo Hoegh as speaker were held on Thursday. With all these last busy days, many seniors remember what a wonderful time they had at Roosevelt.

senior high homerooms

# january class of 1957

The Junior Class made many contributions to Roosevelt this year. Boys from the class were an important addition to the football team. With the experience gained this year they should prove to be an excellent backbone for next year's team. In basketball the juniors helped Roosevelt to win the city series. The baseball team has found the juniors making good replacements when needed.

The Junior girls have been some of the staunchest supporters at all Roosevelt events. They have been valuable contributors to the girls' golf and tennis teams.

The class which will graduate in June of 1957 is a very large class. The January 1958 class is small but there is a feeling of unity not often found in larger classes.

As a complete class, the Juniors have been loyal to Roosevelt.

## the junior class

The Senior B class at Roosevelt represents fully the spirit and the talent of the school. Excelling in athletics in the class were Mike Cole, an all-around letterman; Mark Manders, an outstanding football player; Bob Boremen and Larry Thompson, Roosevelt swimmers; and Bob Livingston, a baseball infielder. Approximately sixty persons are in the class in Mrs. Troutfetter's and Mr. Moore's homerooms. In student council, the senior B's were active with two committee chairmen from the mid-year class. Several of the students were taking journalism and were interested in dramatic writing as evidenced by the script turned in for the senior frolics. Parts in the frolics were held by senior B's. The January 1957 class members were very active in the extra-curricular program at Roosevelt, greatly helping in the operation of the clubs and student council.

## the sophomore class

In September and January two new classes came into existence at Roosevelt Senior High School. The September class of nearly 400 was the largest in recent years. The mid-year class was smaller but no less capable. In sports, the Sophomore Class had some outstanding performers. Dave Groth, a star basketball and baseball player; Tom Hickerson, a swimming letterman; and other sophomores who participated in many other sports showed a great future for athletics at Roosevelt. The second team (sophomore) football squad had a record of three victories and three defeats. Only one of these losses was to a City Series team, East. The sophomore basketball team finished second to North in the City Series. To support these teams, the sophomore girls formed their own pep club. Not only did athletics benefit from the Tenth Grade class. Sharks, Leaders, Concert Chorus, and many other clubs and organizations gained valuable sophomore members. This Sophomore Class—active, interested, and loyal—has become a definite part of Roosevelt Senior High School.

This year Roosevelt again had reason to be very proud of its football team. The team compiled an overall record of six wins and two losses, and finished second in the City Series race. Several of the players received city and state recognition for their superior play. There were a total of forty letters awarded including twenty-

five for senior team members and three for managers. Coach Johnson said, of the past season, "The performance of the team far exceeded our expectations, due mainly to the personal performances of a few key players." All in all, the football team again upheld the record set by previous teams in this sport.

The Roosevelt swimming team, coached by Clark Munger, won their twenty-eighth straight City Swimming Meet. A special assembly was called to honor the team for this accomplishment (see the front inside cover). The team also won every dual meet this season. Their only defeat came at the hands of Clinton in the State Meet held at the new East High School pool. Roosevelt, however, has still won more state swimming titles than any other Iowa school.

After a fifteen year absence, wrestling returned as a team sport to Roosevelt. The 1955-1956 season was a successful one, particularly for individual performers. The team's performances in the Leon and District tournaments proved that the Roosevelt grapplers only needed a little more experience to become top contenders. Robert Anderson, physical education teacher, was coach. Jerry Litynski was elected captain for the past season, and Mike Carey was chosen captain for the 1956-1957 season. Bob Holliday and Matt Ross served faithfully as managers. On April 10, the team banquet was held in the cafeteria.

After the basketball season ended, Al Comito again donned his practice clothes and took over as coach of the Roosevelt baseball team. Some of the team members had been training since January. The nucleus of the squad was made up of returning lettermen. However, there were some promising new players also. The baseball team is mainly composed of junior and senior boys. Occasion-

ally a sophomore boy is able to make the squad. But most sophomore are on the second baseball team, which is coached by Mr. Craft.

Brian Williams and Neal Warren were elected co-captains while Glenn Frazier was selected to receive the John Schlapp Memorial Award for the most valuable player.

The Roosevelt Boys Club consists of all senior high boys. Its major project is the annual Dads Night, which is an evening of entertainment for boys and their fathers. This year's Dads Night was held on Thursday, March 8. It was one of the most successful

in recent years. A carnival, some water polo matches, and two basketball games were the main features of the evening. This year the Boys Club also worked with the Girls Club in sponsoring the Newcomers Club.

This year Girls Club carried out its purpose of service in three fields—service to the community, to the school, and to each girl. In addition to decorating Blank Children's Hospital for holidays, taking food baskets to needy families at Thanksgiving and Christmas, giving a Spring party at the Convalescent Home for Children, and visiting the Home for Sightless Women every two weeks, the club started a new project at the Convalescent Home. Beginning in February, visits were made to the House to entertain the children with three girls going in the morning and three in the afternoon

for a period of three Saturdays. Interest in the Home led to making tray favors for the children and remodeling their playhouse. Service to the school was rendered by the various committees who, among other things, decorated the halls for holidays and sponsored an all-school dance. Through personality assemblies, the Pal System, 10-B teas, coke parties, and especially through the cabinet, composed of homeroom and grade representatives, the club tried to contact and serve every girl and to make her feel that she was important to Girls Club and to Roosevelt.

Toward the end of the year, Miss Behm and the

monitors are extremely busy. They inspect all books that come in from the classes and check the number of books turned in from each classroom. The books are then sent to the bindery if they need repairing.

**Row Two:** Bob Benne, Frank Harris, Bob Hall, Stan Pearson, Jacky Mr. Hayes, Alan Miller, David Elmer, Bob Bostwick, Jim Richards, Ron Berry.

"Oklahoma!," with its three scene changes and good sound pick-up, owed much of its success to the work of the stage and sound crews. Not only did the stage crew accomplish the rapid scene changes during the performances, but they spent many long hours in building the scenery. Working against many handicaps, the

sound crew rigged and operated a good audio system for the performances and many of the rehearsals. The stage and sound crews were at work almost every day to keep equipment in order, and to help produce assemblies and special events such as the Senior Frolics and the Christmas play.

and swimming pep clubs. The baseball and track pep clubs were newly organized this semester. The pep clubs are a division of Girls Club. Judy Boyer was chairman and co-ordinator of all the pep clubs for the 1955-1956 year.

To add color to the band formations on the football field, the Riderettes, a group of 24 junior and senior girls were chosen for their marching ability, rhythm, dancing, posture, and carriage. They provided half-time entertainment at the football games. Initiated into the school a year and a half ago, Riderettes club practiced with

the band in the fall and was under the supervision of the band director. Cowboy hats, fringed vests, and denim skirts were part of the blue and white costume worn by the girls. In the spring, the Riderettes accompanied the band in the Drake Relays parade.

the school play and for the graduation exercises. The members of the orchestra were the "unsung heroes" of "Oklahoma!" They were indispensable in the success of the production.

## concert chorus

The last two semesters have been probably the busiest ever experienced by a Roosevelt Concert Chorus. In November the chorus sang for the State Teachers Convention. A WHO television appearance and the annual Christmas assembly highlighted the month of December. In January the chorus played an important role in the winter concert and the Senior Class Sermon Service. The chorus sang before the Iowa Auxiliary of the American Legion in February.

In March the chorus presented a concert at the Des Moines Women's Club. Later in the month, the chorus took part in the Easter assembly and the Holy Week Services at the Paramount Theater. "Oklahoma!" was presented in April. Members of the Concert Chorus had most of the leading roles, and all members were in the production as the chorus. Appearances at the State Medical Association, the spring concert, and the June Class Sermon were the final events of an extremely active and successful school year.

# "oklahoma!"

On April 6 and 7, Rogers' and Hammerstein's great musical classic "Oklahoma!" was presented by the Music and Drama Departments of Roosevelt. The two performances were witnessed by more than 3,000 people. Almost everyone agreed that "Oklahoma!" was the finest production ever seen at Roosevelt. The student actors, singers, and musicians seemed to capture the spontaneity of amateurs and the perfection of professionals.

junior high

## the roosevelt junior high school

As leaders of tomorrow, the members of the junior high showed great promise in their various activities of the past year. Highlighting their year was the Junior High Talent Show, which, in addition to providing enjoyment for many, enabled the Bach Memorial Library to purchase new books. Sports, playing an active part in the life of every junior high student, were pursued through gym classes, intramural activity, Leaders Club, and two very successful Blue-White Games, the first being won by the Eighth Grade and the second by the Ninth Grade. Junior high students faithfully attended the senior high games and supported other activities such as the all-school play and "Oklahoma!" The musical "Oklahoma!" would probaly not have been so successful if it had not been for the junior high technical help on the stage and sound crew and the many junior high members of the orchestra. Members of the Roosevelt Junior High School, by expressing opinions concerning their place in the school, emphasized the fact that they were an interested and important portion of Roosevelt.

## **RESEARCH and GREAT CARE MAKE QUALITY PIONEER SEED**

More and more farmers each year depend upon Pioneer hybrids to help them make a success of their corn crop. The probing minds, the skill and the patience of Pioneer researchers continually develop new, dependable hybrids with greater yielding ability. And the Pioneer production department produces these hybrids with care from seed field to seed bag so that the customer gets quality seed corn. We thank the many Roosevelt high school students who help detassel Pioneer seed fields each year. A good job of detasseling contributes to the high quality of Pioneer seed corn.

Drake congratulates the 1956 graduates of Roosevelt High School, and cordially invites **all** of the students of Roosevelt to visit the Drake University campus. This is the 75th anniversary year of Drake, . . . but this is just the beginning. Drake has taken on a "new look" . . . a new look that **you** should see!

### Constancy

You gave me the key to your heart, my love.  
Then why do you make me knock?  
Oh, that was yesterday, saint's above  
And last night I changed the lock.

Don'ta hitch your wagon to a star,  
Young man, for as a rule,  
'Twill prove more practical by far  
To hitch it to a mule.

### Tobacco

Tobacco is a filthy weed—

I like it.

It satisfies no normal need—

I like it.

It makes you thin, it makes you lean,  
It takes the hair right off your bean;  
It's the worst darned stuff I've ever seen.  
I like it.

### Homework Made Easy

Taking for granted that everyone wants to do as little homework as possible every night, we are going to list a few rules which will make it easier for you to watch TV. If you follow these rules we guarantee that you will never miss Mickey Mouse Club or the \$64,000 Question.

Rules:

1. As soon as you arrive home from school, sit down and have a light lunch. This makes you feel more like studying. (It also makes you able to sleep better.)

2. After having cleaned out the icebox it should be about time to sit down and catch up on the news (after L'il Abner, of course).

3. Oh mercy, dinner time already!

4. You should finish dinner around 7, so you have hours left to study. But of course you must call the girl friend. This will take from 15 minutes to two hours. (I'm a 45-minute man myself.)

5. After she slams the receiver in your ear, you are in no mood to study. Besides, "Dragnet" is on.

6. After the bad man was caught, you should whip down to the drugstore for a coke to pep you up for your evening's work. If the gang is there, it may be an hour or so before you get home. It's 10:30 now.

7. Now the late shows are on so isn't it stupid to waste your time on homework?

8. By now, it is 12 or 12:30 and you simply must go to bed if you are going to get seven hours' sleep. So off to bed you, thinking over the hard day's work just completed.

Well, maybe you didn't do much studying, but golly, wasn't the show good?

. . .

Norm Coder: Does your girl know much about a car?

John Karns: No, she asked me if I cooled the car by stripping the gears.

. . .

Teacher: A person who swore he would starve before teaching and has been doing both ever since.

9. So what! Jackson won't know we are smoking between classes.
10. How about a date, babe?
11. I wonder why that green car keeps following me?
12. All right if I crowd ahead of you? I'm hungry.
13. Watch this dive.
14. Yeah? You and who else?
15. But I lost my activity book.
16. Guess I ran out of gas.
17. Gee, coach, I slipped.

To let a fool kiss you is stupid  
But to let a kiss fool you is worse.

**School Life**

When you are a freshman, you try to get dates with handsome men—  
When you are a sophomore, you try to get dates with men—  
When you are a junior, you try to get dates—  
When you are a senior, you get to stay home.

. . .

The little daughter of a clergyman stubbed her toe and said "Devil."  
"I'll give you ten cents," said her father, "if you'll never say that word again."

A few days later she came to him and said: "Papa, I've got a word worth a dollar."

### Moments to Recall

The Concert Chorus will never forget the time it sang on the Mary Blythe Show on WHO-TV. After the choristers had sung several numbers, Mary Blythe announced to the audience—and to the surprised singers—that the final number would be the first and last verses of "Silent Night." The Chorus came through in fine tune—without blinking an eye or muffing a note.

. . .

A visit: Mr. Dickson once had Gregg Everett pose as a married man (wedding ring and all), sending him to Madame Lamb to find out about her supernatural powers. According to Madame Lamb, Greg is a very happily married man and the father of two children.

. . .

Mr. McClain: Have you ever been to the zoo?

Track man: Nope.

Mr. McClain: Well, you ought to go. You'd get a kick out of seeing the turtles zip by.

. . .

Chuck Springer: What's the fly doing in my soup?

Waiter: Offhand, sir, I'd say it's swimming.

. . .

Susan Biesel: Are you doing anything for your cold?

Anne Robinson: I sneeze when it wants me to.

. . .

Daffynitions: An Optimistic Person—does a crossword puzzle with a fountain pen.

. . .

Miss Rendleman: If you mowed twenty lawns at a dollar and a half an hour, what would you have?

Denny Troutman: A new bicycle.

. . .

Diamonds are a girl's best friend—unless they are snarled in an argyle.

. . .

A sharp nose indicates much curiosity. A flat one indicates too much.

## hear the heartbeat of a nation

Hear it in the drone of the dynamo,  
and the whine of the turbine.

Hear it in the labored groan of the crane,  
and in the shriek of the drill.

Hear it in the buzzing monotone of mill and lathe,  
and in the resounding boom of the press.

Hear it in the purring power of automobiles,  
in the rumble of motor trucks, in the thunder of planes.  
Hear it in the cadent click of whirling wheels  
on rails of polished steel.

Hear it in the roar of the tractor,  
in the hungry hum of the combine.  
Hear it in the vibrant voices of millions of machines  
on other millions of farms.

Hear it in the whispered promise of a pregnant earth,  
in the song of billowing grain,  
in the laughter of a brook,  
in the chatter of rain,  
in the sigh of a breeze.

Hear it in the concert  
of a hundred and fifty million human hearts,
